Huntsville, AL 35804

Dear Customer:

Please complete the form below and return to this office in order to have service discontinued.

The City of Huntsville Water System
P.O. Box 2048
Huntsville, Alabama 35804

Attn: Water Engineering Department

Date:
Street Address:
Account #:

Please remove water service at the above referenced address. I understand that the water meter and meter box will be removed and that the service line or extra stub will be killed. I also understand that if I require service to be restored in the future, I will have to pay the full cost of a new service line or extra stub fee at that time. I certify that I am the property owner for this address.
