INITIAL SERVICE ADDRESS:	

In consideration for reducing Huntsville Utilities standard residential deposit for the above named Primary Account Holder and the Spouse/Roommate (hereinafter referred to as "Primary Account Holder"), I accept responsibility for and guarantee any unpaid balances on the account of Primary Account Holder upon termination of service with Huntsville Utilities. Any unpaid balance will be transferred to Guarantor's account with Huntsville Utilities and failure to pay such balance may result in the disconnection of Guarantor's service and Collection Activity¹ against Guarantor.

This agreement will remain in effect for any residential service provided to the above Primary Account Holder at any location until:

- a. The Primary Account Holder completes three years of service (36 continuous months) with excellent payment history determined by Huntsville Utilities Collection Activity¹, or
- b. An additional deposit is placed with Huntsville Utilities as established under Huntsville Utilities' current Residential Deposit Policy. At the time the additional deposit is made, all payments of the Primary Account Holder must be current, or

In addition, if the Guarantor's account closes for any reason, this will not relinquish the Guarantor's responsibility to pay any amount left unpaid by the Primary Account Holder.

- Disconnection scheduled due to non-payment;
- Returned check or draft;
