**Your Energy Prize Team**

## What is the Georgetown University Energy Prize Competition?

It is a **two-year, \$5 million incentive competition** sponsored by Georgetown University to reduce America's energy consumption. The competition challenges **local governments to work together with utilities, schools, and residents** to develop and implement plans to **reduce energy consumption**. One community will be awarded the prize money in 2017.

## How do our customers benefit?

Customers benefit through coordinated community leadership and education that is designed to help all of us become **more energy efficient**. Energy used more efficiently allows for **cleaner production** of electricity and **lower utility costs**.

## What customers can do to assist us?

Go to our website, [www.hsvutil.org](http://www.hsvutil.org), to view our **smart consumer tips** which can help **lower residential utility bills**.

**Energy efficiency is more important today than ever before for businesses, utility companies, and within our homes.**
